Samantha,

Heidi at the Clear Creek Court was unaware of the details outlined in your Motion and told me this was the simplest way to resolve sans attorneys/further bother.

STIPULATION REGARDING CHILD SUPPORT MODIFICATION	

The parties stipulate and agree to the following Stipulation Regarding Child Support Modification:

See page 2

Both parties are in disagreement regarding virtually all specifics outlined in the Motion to Modify Child Support last filed in this case, however, we are in agreement on behalf of the resolution put forth by Ms. Fox that states neither of us wants anything from the other. My lack of rebuttal and dispute of details was merely consent to her overriding request that the court extricate itself from our affairs. Ms. Fox has stated that she does not want anything from me and I do not intend to seek anything from her. Please grant us our independence on behalf of all matters legal.
