MOTION TO RECONSIDER	

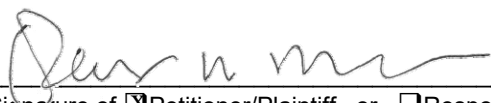

For the following reasons: (cite any applicable law)

1. Our Parenting Plan states that we both agree to enter mediation should we be unable to reach an agreement.
2. In the Motion to Modify Child Support filed by Ms. Fox on 06/13/18 she states, "Although the child support worksheet based on this new situation calculated that Robert should pay child support of \$70, **I am not requesting that he pay anything, only that my child support obligation be ended.**"
3. I agreed with Ms. Fox's resolution put forth in her Motion therefore I did not reply, presuming the default result would be to honor our mutual concession.

I request the Court to:

I respectfully request the Court to annul the Order RE: Modification of Child Support retroactive to the date originally filed on 07/18/18 as the Order is inconsistent with what was filed and grant the original petition, to end all financial obligations between parties.
